未来路线图

我们正在积极为其余基于云的语言开发完全离线支持功能。未来的更新将逐步使所有受支持的语言均具备完整的离线使用能力。

Technical Support

- **Support Requirement:** One engineer is required for every 300–500 licenses
- **Support Cost:** RMB 12,000 per engineer per month

Annual Renewal Policy

- **Optional Renewal Fee:** Maximum USD \$100 per year
(In process of renewal, this fee will be shared in the ratio of 50% for HS GLOBAL and 50% for OEM)
- **Renewal Purpose:** Provides access to newly released features and enhancements only
- **Enhancement Upgrade Revenue:** Any additional income generated from future enhancement upgrades or premium feature developments will be mutually discussed and shared between HS GLOBAL and OEM based on project scope and contribution.
- **Existing Customer Enhancement Policy:** Enhancement charges will apply only to customers who request or purchase additional upgraded features after the original purchase date.
- **No Renewal Impact:** If renewal is not purchased, the software will continue functioning permanently with all previously available features
- **Existing Features:** No existing functionality will be removed, disabled, or degraded

Examples of Future Upgrade Features

- Additional local language support
- Cartoon face interface
- Photo face interface
- Other future enhancements and optional modules

Renewal Clarification

- The renewal process is strictly related to future upgrades and enhancements
- Customers who choose not to renew will continue using the software with all originally provided features indefinitely
- Newly released features will only be available through the annual renewal plan
- The annual renewal fee will never exceed USD \$100 per year, regardless of the number of new features released

技术支持

- **支持需求:** 每 300 至 500 个许可证需要一名工程师
- **支持成本:** 每工程师每月人民币12,000元

年度续保政策

- **可选续费:** 每年最高100美元
(在续期过程中, 该费用将按50%由HS Global承担、50%由OEM承担的比例分摊。)
- **更新目的:** 仅提供对新发布的功能和增强功能的访问权限
- **功能增强升级收入:** 未来通过功能增强升级或高级功能开发产生的任何额外收入, 将由HS全球部门与OEM根据项目范围及贡献度共同协商并分配。
- **现有客户增强政策:** 增强服务费用仅适用于在原始购买日期之后请求或购买额外升级功能的客户。
- **不影响续订:** 若未购买续订服务, 该软件将继续永久运行, 并保留所有先前可用的功能。
- **现有功能:** 不会移除、禁用或降低任何现有功能的性能。

未来升级功能示例

- 额外的本地语言支持
- 卡通面孔界面
- 照片界面
- 其他未来的增强功能及可选模块

续期澄清

- 续订流程与未来的升级和改进密切相关。
- 选择不续订的客户将继续无限期使用该软件及其所有原始功能。
- 新发布的功能仅可通过年度续订计划使用。
- 年度续费费用每年均不会超过100美元, 无论发布的新功能数量多少。
